June 23, 2019

Dear Friend,

The Connecticut Association of Conservation and Inland Wetlands Commissions, Inc. (CACIWC) is pleased to schedule our **42nd Annual Meeting and Environmental Conference** on Saturday, November 23, 2019 at the Red Lion Hotel Cromwell. We are seeking additional sponsors for our conference to continue our mission to provide education and training to support the critical work of our member commissions.

Established in 1974, CACIWC is a non-profit 501(c)3 organization whose goals are to provide education and training to Connecticut municipal conservation and inland wetlands commissions, provide timely information to Connecticut commissioners to help them carry out their statutory responsibilities, and to educate Connecticut residents in the preservation and management of our shared natural resources.

CACIWC provides information to our members through its quarterly publication, *The Habitat*, our website and ListServ along with our day-long annual environmental conference. The conference includes a variety of speakers and workshops conducted by state, federal and professional experts, and provides exhibits, equipment demonstrations and networking opportunities. The conference is attended by up to 300 commissioners, municipal staff, community leaders, environment organizations and businesses.

We seek sponsors who share CACIWC's vision of ensuring the conservation of Connecticut's important wetlands and natural habitats through the education of those making land use decisions in our communities. Sponsorships funding has become more essential in recent years as the costs of hosting our annual meeting and environmental conference have substantially increased.

I have attached a description of the various sponsorship categories available for business, organizations and individuals. The benefits and acknowledgements offered for each category are also listed. Please do not hesitate to contact me at board@caciwc.org if you have any questions on sponsorship. By becoming a sponsor, you will help support our member commissions in their critical work to preserve the very character of Connecticut.

Thank you for considering becoming a sponsor of our 2019 annual conference!
Alan J. Siniscalchi, President
CACIWC
