## CACIWC

CT Association of Conservation & Inland Wetlands Commissions, Inc.

### 48th Annual Meeting & Environmental Conference

Saturday, November 15, 2025  
Courtyard Marriott Cromwell

CACIWC will host its 48th Annual Meeting on November 15th at the Courtyard Marriott Cromwell (Cromwell, CT). This event will provide a full day of educational programming, informative displays, and networking opportunities. Conference themes will include ways of helping local commissions respond to the increasing frequency of severe storm events resulting in river and stream flooding; and preparing municipalities for the continuing rollback of federal programs, staff, funding, and regulations.

We are grateful for the support of organizations and businesses that welcome an audience with 200+ members of Connecticut's wetlands and conservation community. Promotional activities will reach more than 5,000 municipal staff, land use commissioners, consultants, member of non-profit land use groups, and other actors in the local environmental community.

*Keynote speaker: Jim O'Donnell, Executive Director of the Connecticut Institute for Resilience and Climate Adaptation (CIRCA).*
